

Understanding Your Member ID Card

Packed inside this small card are some BIG health benefits and services. Your health plan ID card is your ticket to great medical benefits. Your ID card contains:

- Information about your specific copays, coinsurance and deductibles
- Phone numbers and web addresses that help your doctors and you
- A Customer Service number – your starting point for many of your health plan services

You even have access to a digital version of your ID card available on the member portal! So, it's true – good things do come in small packages.

Watch this brief [video](#) to help you understand more about your ID card.
