

Check your medication costs

blueprint
Pharmacy

Your Arkansas Blue Cross and Blue Shield plan makes it easy to find out if your medication is covered and what it will cost. You can even see lower-cost options when they're available.

The Check Drug Cost tool is quick and easy to use, and lets you:

- Find out if a medication is covered by your plan
- Easily see lowest cost options, including generics and up to five formulary alternatives
- Compare the cost of filling your prescription by mail or any retail pharmacy
- Compare the cost of 30-day or 90-day supplies
- Know if there are actions you or your doctor need to take before you fill your prescription

Find medications and compare drug costs on your phone, tablet or computer:

Step 1: Go to **Blueprint Portal**, blueprintportal.com, or download the app

Step 2: Sign in or register with your member ID number or last for digits of your social security number

Step 3: Select **Pharmacy** from the **Menu**

Step 4: Click **Compare Drug Prices** to get estimates on the cost of your medications or compare the prices of brand and generic drugs

Download the free Blueprint Portal app

With the Blueprint Portal app, you can get estimates on the cost of your medications while in your doctor's office. You can also access your ID card, your medications and many more features through the app to manage your health plan 24 hours a day, seven days a week.
